Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The prior art fail to teach or suggest a fire barrier assembly for fire stopping an opening in a partition, comprising *a plurality of fire stop articles arranged in the opening without a secondary support structure*, each fire stop article comprising an interior insulating material, and an intumescent material arranged around at least a portion of the interior insulating material, the intumescent material comprising filler, material binder, and a hydrated alkali metal silicate intumescent component. Applicant's present invention discloses a fire stop device for fire stopping through-penetrations that is inexpensive, easy to install, and can effectively fire stop larger openings than convention devices can without the need for a secondary support structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jane Rhee whose telephone number is 571-272-1499. The examiner can normally be reached on M-F 9-6.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Patrick Ryan can be reached on 571-272-1292. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
